

Library Cards

Your first library card is free. Students under 16 must sign up with their parent at the library. Please bring a photo ID and a license or piece of mail containing your current address to register for your library card.

Replacement library cards are always available for \$1.00.

Fine Policy

The Middleborough Public Library does not charge for overdue materials with the exception of Museum Passes returned late.

We do charge for lost items, materials returned with missing pieces, and items that have been damaged. Fees for such items are on a case-by-case basis and will most likely be the full replacement cost.

You cannot borrow items if: you owe **\$10.00** or more in fines or have a lost charge on your library card. Most library fines and fees can be paid online. Log on to "my account" on the SAILS Library Network.
